

Christ Cares for Princeton depends on volunteer food and cash donations from your Princeton neighbors to offer your household assistance. We are unable to provide your entire food needs--we only supplement what you are able to provide on your own. You may apply for food pantry assistance if the following conditions are met at the time of your application:

- You are 18 years or older
- You permanently reside in Princeton, TX
- You have a current TX driver's license or TX issued ID showing your Princeton residence
- No one in your household is currently receiving Lone Star card benefits of any amount
- No one else is already receiving assistance at your address
